IN DEFIANCE OF THE LAW

Commissioner Lane Finds that Southern Pacific Continues to Give Rebates to Shippers.

DEPARTMENT OF JUSTICE TO GET FACTS

Members of the Interstate Commerce Commission Believe That Harriman Can Be Indicted in His Capacity as President of the Offending Road—Official Ready to Testify.

Washington, Oct. 15.—Interstate Commerce Commissioner Lane, who went to California in response to reports from the agent of the commission declaring that the Southern Pacific railroad company was giving rebates and that proof could be obtained has returned to Washington.

The commissioner believes that flagrant violation of the law can be proved, and it is the present understanding that as soon as the facts collected are submitted to the full commission, certification of the illegal operations of the railroad will be made to the department of justice with a request for prosecution of those responsible. The law, as it now stands, provides a two-year imprisonment for each offense.

Whether Mr. Harriman can be indicted will depend upon whether his responsibility for the alleged violations of the law can be demonstrated. Members of the interstate commerce commission believe it can. They say that as the president of the Southern Pacific company he either knew or should have known what his subordinates were doing.

According to Commissioner Lane's investigation, rebates were being paid as late as September 24 of this year and during that part of September up to the 24th the road paid out in rebates to favored shippers \$47,000. The evidence upon which the interstate commerce commission will base their charges was found in the books of the company itself.

It is stated that upon the last day of Commissioner Lane's stay in San Francisco, a freight official of the Southern Pacific offered himself as a witness for the government, it is asserted, with the hope of obtaining immunity.

In nearly every case in which rebate charges were made the shippers involved are said to be rich and powerful corporations. A partial list of these includes the Union Ice company, the California Development company, the Colorado Fuel and Iron company, the Eldorado Lumber company, the California Sugar and White Pine company, the California Pine Box and Lumber company, the Pen Fruit company, and the Associated Oil company.

New Place for Thomas Ryan.

Washington, Oct. 15.—Thomas Ryan, for nearly 11 years first assistant secretary of the interior, will retire from that office the latter part of this month. He will be succeeded by Frank Pierce of Salt Lake City, Utah. The reason given for his resignation is that his health has become impaired, by the work of his office. The announcement of the change was made Monday by Secretary of the Interior Garfield. Mr. Ryan was formerly minister to Mexico and is from Kansas. Mr. Ryan, however, will be retained in the interior department service as advisor counsel in the administration of affairs relating to the vast and complicated landed interests of the five civilized tribes and the Osage nation.

Fish Enjoins Harriman.

Chicago, Ill., Oct. 15.—Stuyvesant Fish, through his attorneys, H. W. Leman and Frank H. Culver, of Chicago, and Edgar H. Farrar of New Orleans, Monday secured a temporary injunction which will, if made permanent restrain the voting, at the Illinois Central meeting of Wednesday of 286,731 shares of stock of the Illinois Central Railroad company which would otherwise be voted in the interests of E. H. Harriman. By agreement Tuesday the shares enjoined will not be voted at Wednesday's meeting.

Lincoln, Neb., Oct. 15.—The state railway commission Tuesday afternoon issued an order limiting the Missouri Pacific passenger trains to a speed of 25 miles an hour, the fast freight trains to 20 miles, and the heavy freights to 15 miles an hour, owing to the dangerous condition of the road-bed.

Not for Home-made Medicines.

Great Missourians.

Walter Williams recently delivered before the Presbyterian Assembly at Pertle Springs his lecture on "Men Who Have Made Missouri Great." The lecture was largely historical, but it was also interspersed with humor and passages of brilliant idealism. The great Missourians who claimed most of Mr. William's attention were Thomas H. Benton, "Old Bullion," and Frank P. Blair, who represent Missouri in the national "Hall of Fame" at Washington City. Other famous Missourians who were commented upon were Col. A. W. Doniphan, James B. Eads, James S. Rollins, John S. Phelps, Hamilton R. Gamble, Bishop Marvin, Jas S. Greene, Sterling Price, Finis Ewing, Moses E. Lard, W. W. Robertson, John Montgomery and Archbishop

Bryan May Declare

Candidacy in November.

Washington, Oct. 14.—That William Jennings Bryan will make his forthcoming visit to Washington the occasion of declaring his candidacy for President is now the accepted understanding among those here who are well advised of his intentions.

The Democratic leader will be in Washington from November 20 to 28. This will be close to the time of the opening of Congress. Many of the Democratic members of the House and Senate will be here then, and Mr. Bryan will have opportunity to confer with them.

While here Bryan will deliver three addresses, one at George Washington University, another at a Bryan dinner at the Raleigh, and another at a public meeting at one of the
